CONCERT

Our concert was a great success and the children thoroughly enjoyed themselves on stage. I have tried to e mail photos through to the parents, but unfortunately the files are too big and they take too long in the system. I have resent them in a word document format. Please see the next page for a **COLLAGE OF CUTE!**

Thank you for all your support, patience and enthusiasm. A concert is a wonderful for your children to learn and grow in confidence.

And even more cute

FREESTYLE CHAMP!

In the Gauteng Freestyle Championship in Pretoria.
Savanah came **FIRST** and is now the **Gauteng U7

so proud of you.

CRECHE CUTIES

The little ones have been colouring in pumpkins, bats and witches. Next week they will be moving onto their favourite theme of the year – CHRISTMAS! They are enjoying their new jungle gym that we were fortunate enough to win at the pet food competition.

WHAT'S SIZZLING AT SPACKMAN?

We all had fun dressing up and being on stage for our concert. We thoroughly enjoyed singing and dancing and acting out our joyful songs for you. We hope you enjoyed watching us too. Thank you to all the parents who assisted us with the make-up and the costumes. We all made very cute worms, birds, bugs, ants, cockroaches and frogs!

THE SIMPSON SPARKLERS

From Little Red Hen baking bread, to dancing on the stage! We are now exploring the different modes of transport, but keeping our eyes open for worms and spiders! The end of the year is drawing to a close and as promised, the children can now **READ, WRITE and SPELL!**

WHAT'S BUZZING AT BEATON?

The Grade 3's have been learning how to write limericks and cinquains. Here is a cinquain written by the Grade 3's as a group.

Chocolate
Delicious, scrumptious,
Melting, bubbling, mouth-watering,
My favourite thing in the world
Sweet

The Grade 2's have learnt all about their environment and are ready to save the planet! Have you ever thought about what it feels like to be a tree? Read on

A DAY IN THE LIFE OF A TREE

It is summer. I love summer.
Ha! Stop throwing stones at me!
The next day it was winter and the
Snow tickles my branches. I watch
Cares go by and I love the sun –
Makes my branches grow,

Josh Hill

The sun is beating down on
my leaves. I taste mud or
salt water. I'm a Palm tree.
I'm on the beach. Today I
felt a monkey climb on me.
Oh no! Lightning is coming
towards me!
